

MEMORIAL GARDEN

Classic Garden

7. Helmsley - A classic book design with ornate gilded border in Ruby Red granite which rests on a wedge. Size: 10" x 8" x 1 1/2"

8. Duncombe - This column adds height and interest to a garden and with the choice of an inscribed birdbath or sundial makes a really unique memorial. Shown left and above left with sundial top. Size: 36" x 12" diameter

9. Cobble - Beautiful, tactile stones made in Paradiso, Bahama Blue or Multicolour granite. These can hold a simple message and motif that family members can add to the garden. Size: 5" x 8"

Llanelli Joint Burial Authority is offering Memorial Garden plots with exclusive burial rights at Llanelli District Cemetery

Cremated remains can be placed in the ground and a garden can be created in remembrance of a loved one

Memorial Plaques

Plaques offer a way to add multiple tributes in a garden and are ideal for marking rose bushes, trees and shrubs.

The range available includes a wide selection of granites offering many colour, shape and design combinations.

These plaques are designed with a spiral attachment which twists into the ground offering a stable, secure and rust proof fixing.
