

Memorial plaques are available to purchase directly from the Burial Authority. The standard memorial plaques are mounted on the coping stones of the garden walls. Wall plaques are offered for 15 or 30 year periods.

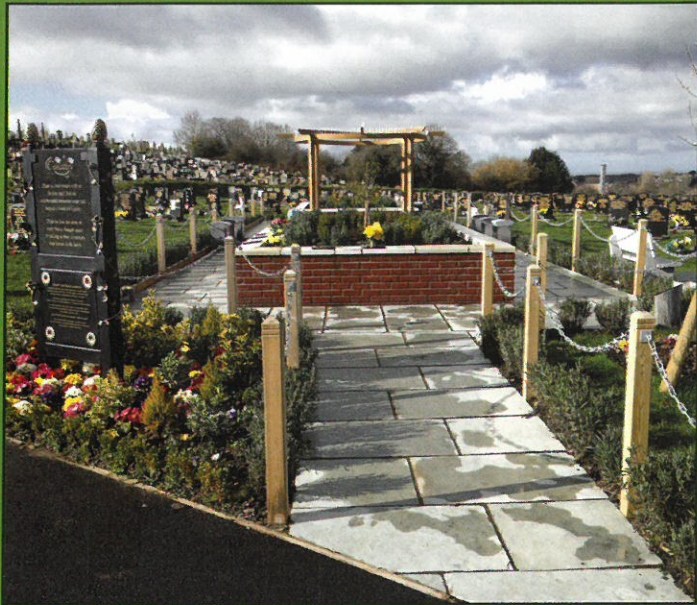

It is also possible to inter cremated remains in secure granite vaults placed around the perimeter of the gardens. Beautifully crafted leaf shaped vaults are also available that can be placed in a position of your choosing amongst the lavender borders. Vaults are offered with exclusive rights for 30 years.

A variety of personalised memorial plaques are also available for purchase that can be placed around memorial trees, in the flower beds or amongst the lavender borders.

Scattering Gardens

The natural stone pathways lead to three raised flower beds. Seasonal planting will provide colour and variety through the year.

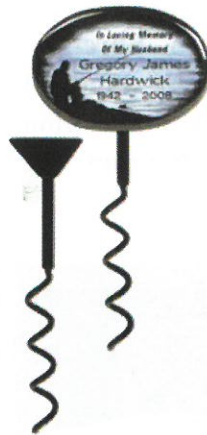

Please note that scattering or burying of cremated remains can only take place at Llanelli District Cemetery with the permission of the Burial Authority.

The gardens have been designed to provide easy access for all levels of mobility. Wide pathways lead to the raised flower beds. Parking areas are directly adjacent to the garden entrance.

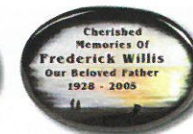

The Scattering Gardens are a beautiful and peaceful place in which to remember the lives of those dearest to you.

Llanelli Joint Burial Authority has created a remembrance garden feature at Llanelli District Cemetery where cremated remains can be scattered amongst the flowering plants, shrubs and trees. Cremated remains can also be placed just below the ground surface, or buried in bio-degradable casketes.

Memorial Plaques

The cemetery grounds are open 365 days of the year. Gates are open for vehicles until 5pm in winter months and 6pm in the summer. The cemetery is open to pedestrians 24 hours a day.
